

PARKING INFORMATION FOR PRIVATE CARS

Please plan to arrive early to find parking.

Current campus improvements can often make parking accommodations challenging.

MAP KEY

P1 - Parking spaces along **Vista and Alumni** may be available, but it is often full.

P2 - A campus parking lot sits at the **corner of North and Wettermark** streets but it also may be full. A short walk down North Street brings you to the main level of Griffith Fine Arts where the auditorium is located.

P3 - The **parking garage at Raguet and College** streets will most likely have available parking. Passes are available for this garage. After parking, if you are unfamiliar with campus, the easiest route to the auditorium is to walk down College Street to North Street, bringing you to the auditorium level of the Griffith Fine Arts building.

P4 - The Student Center **parking garage at Griffith and Clark** has available parking for a small fee. The first hour is \$2 with \$1 for each additional hour. A credit or debit card is required for payment. There is no direct sidewalk between the garage and the Griffith Fine Arts building, so it is recommended, if possible, to drop the children off first.
